

RESIDENTIAL PROJECTS

Home in a Meadow

Morrisville, Vermont

Master plan and site design for arts and crafts-style new home. Design of driveway and parking, Japanese-style walkways paths, terraces, gardens, sculpture places, pond enhancements, and grading and drainage.

Collaboration with Architect/Author Sarah Susanka.

Published in Architect Sarah Susanka's 'Outside the Not So Big House' and the Taunton Press 'Stonescaping Idea Book'.

Contemporary Green Mountain Home

Stowe, Vermont

Master plan and site design for a new contemporary home overlooking Mt. Mansfield. Design of infinity pool, outdoor spas, tennis court, terraces, outdoor fireplace and dining deck, fire ring, gardens, driveway and parking, grading and drainage.

Collaboration with Cushman Design Group.

River House on the Mad

Moretown, Vermont

Master plan and site design for new LEED net-zero custom home nestled into the rocky gorge along the Mad River. Design of green roof, rain gardens, terraces, Japanese garden with outdoor shower, overlooks, trails, and grading and drainage.

Collaboration with William Maclay Architects

2010 AIA Honor Award for Excellence in Architecture.

Family Mountain Retreat

Elmore, Vermont

Master plan and site design for new French country-style home. Design of driveway and parking, walkways/paths, terraces, pool, tennis court, wildflower and cut flower gardens, woods restoration, trails, stream bridges, and grading and drainage.

Collaboration with Sam Scofield, AIA.

Published in 'Design New England' magazine's September/October 2009 edition.

Michael and Marisol Cohen Residence

Nantucket Island, Massachusetts

Master plan and site design for new ocean side home. Design of formal central outdoor living space which unites new guest cottage and tennis court with existing main house. Features include gunite pool and spa, outdoor kitchen, changing room with outdoor shower, and drought, wind and deer resistant gardens.

Published in 'New England Home' magazine's Summer 2009 Cape and Islands edition.

Lake House

South Hero, Vermont

Master plan and site design for a new casually elegant home at the end of a long meadow overlooking a secluded bay on Lake Champlain. Design of a new car court using local brick and granite, Vermont fieldstone terrace, circular bench and fire pit perched above the lake shore. Native plant gardens integrate the house into the surrounding woods, meadow and wetland.

Jake and Donna Carpenter Residence

Stowe, Vermont

Master plan and site design of the home renovation for owners of Burton Snowboards. Design of parking, country-style walkways, gardens, outdoor spa, fire ring, pond enhancements, and grading and drainage.

Spring Trail House

Stowe, Vermont

Master plan and site design for new contemporary home designed by acclaimed Architect Hugh Newell Jacobsen. Design of Vermont slate walkways through geometric groves of birch and maple and planes of groundcover, pond and meadow, trails, and new woodland driveway approach to house.

The Green Mountain Estate

Stowe, Vermont

Master plan and site design for new mountain home. Design of entry garden, terraces, fire ring, outdoor spa, edible and cut flower gardens, driveway and parking, and grading and drainage.

Ken Gaertner Residence

Peacham, Vermont

Master plan and site design for home renovation. Design of recreational landscape including tennis court, pond, terraces, gardens, woods trails, and grading and drainage.
